

North Wake College and Career Academy Bus Routes

Important: Bus routes are subject to change based on actual student distribution and other factors. The information here will be updated regularly, but updates may take several days to be reflected online.

This route information last updated: 9:27 AM, Fri, Oct 4, 2024.

Stop times: Parents can anticipate a stop time based on the route start time, estimating 3 minutes between stops for neighborhood routes and 10 minutes for express routes. The exact stop time will vary during the first weeks of school. Students should be ready and waiting for the bus at least 10 minutes before the bus is expected to arrive.

Bus schedules: We urge parents to be patient as routes settle during the first few weeks of school. With students becoming familiar with this new routine, bus routes may take more time.

Faded Stops: Stops in faded text are on the route, but do not pick up or drop off students attending this school.
