Broughton has been invited to nominate students to attend *Veterinary Academy: High School, a worldStrides program* offered at Veterinary Academy. Students nominated have the opportunity to go behind-the-scenes of a working zoo, to help care for over 1,800 stray dogs at a sanctuary, and to contribute to the vital research efforts of an ongoing coral reef preservation project. For more information, visit [www.vetmed.worldstrides.com/nominate](http://www.vetmed.worldstrides.com/nominate). Students who attend are eligible to earn up to 80 veterinary hours, a required part of applications to veterinary school

ASSE International Student Exchange Programs offers high school students the chance to study abroad in the 2025-2026 school year. The programs foster international understanding through its exchange student programs. In partnership with their overseas offices, they offer various destinations and programs, including Academic Year, Semester, Summer Homestay, and Language Programs in Europe, Asia, and the Americas. As one of the oldest and largest international student exchange organizations, ASSE can offer the most comprehensive programs at the lowest possible fees. For more information, call 1-703-518-5022 or email [outbound@asse.com](mailto:outbound@asse.com).

Interested in the field of medicine: Broughton has been invited to nominate students to attend the upcoming *National Youth Leadership Forum [NYLF]: Medicine & Health Care*, an Envision by worldStrides program, to be held next summer, 2025. We may nominate up to 10 students who are in grades 9-11 during this academic year and who have demonstrated leadership potential. Nominees will have the opportunity to select any one of their exciting eight-day-programs offered next summer in Ann Arbor, Atlanta, Berkeley, Houston, Los Angeles, or New Haven. If interested, see Mr. Rudder in Student Services. Deadline, December 6, 2024.

#### 2025 SUMMER OPPORTUNITIES

[Link to the list that is posted on CFNC with summer enrichment opportunities]

<https://www2.cfnc.org/studentEnrichment>

**Summer Study in Oxford and Cambridge & New York:** Programs offer students in grades 8-to 12 the chance to spend a week, two weeks , or four weeks challenging themselves intellectually in traditional disciplines, such as Economics, History, Literature, Politics, or Speech and Debate, as well as in subjects that are less commonly offered to school-age students, such as Aerospace Engineering, Architecture, Business, Engineering, Law, or Musical Theater, to mention but a few of the 150+ options on offer.

**Summer programs in Barcelona and Paris** offer intensive Spanish and French language classes at all levels, from beginner to advanced and even fluent. They also offer academic courses in Spanish and French, such as *Cultura y cocina*, *Relaciones internacionales*, *Histoire de l'art*, and *Paris: Ville imaginaire* not to mention the wide array of academic and creative courses in English. Whether they choose to join us in England, France, Spain, or the US, our students will experience university-level courses that use the extraordinary cities in which they take place as classrooms. They will also have the chance to engage with the venues through our extensive activity programs and, of course, to connect with like-minded students from over 80 countries. For more information, visit [info@bridgeprograms.com](mailto:info@bridgeprograms.com), or call +1-212-932-3049

**Sewanee** has a wide range of opportunities for high school students looking for early first-hand experience working with college professors or even living on a college campus.
