Day in the Life

It's not all work—you'll have plenty of freedom and fun too. When you're not in class, you'll be living the college life—walking around campus, grabbing food with friends, and spending time downtown, just like a Smith college student! One Precollege student shared, "I loved the freedom, nature, all the people that I met. Literally everything. It was the perfect balance of college life, learning, and

exploring." See for yourself this summer at Smith. **Our mailing address is: 30 Belmont Avenue,
