How can I sign my child up for the bus?

Macky Guilherme
7:05 PM

Hello. We received a notification about transportation service request. Do we still need to fill out the WCPSS form?

Coreen Levy _ Staff - LeesvilleRdES
7:05 PM

Our current specs are 32GB, SSD drive, 4GB Ram (minimum), 11" Touchscren. Several manufacturers make
Chromebooks with those specs at a reasonable cost.

7:05 PM

How will bus capacity and availability be affected due to social distancing?

Katherine Finan _ Staff - LeesvilleRdES
7:05 PM

If you put on your online registration that you needed transportation, I will be requesting that for you. You should
receive an email about a transportation service request, and at that point you do not need to do anything else. All bus
information will come to you through email, later in the summer.

If you have any questions or need to request it, you can always email me at kfinan@wcpss.net
