

AP Calculus AB Summer Assignment 2018

In order to access your AP Calculus AB Summer Assignment, you will need to join an Edmodo group. Thus, you will need to create a free account at Edmodo.com if you do not already have one. You should also download the app onto your phone.

Once you have set up your account you will need to join our group using the code:

inx2w5

Once you have joined the group, I will get a notification to approve you. After I have approved you, you will find your summer assignment in the FOLDER section. Click on FOLDERS and then the SUMMER ASSIGNMENT 2018 to access the Word Document that contains your assignment.

If you have any questions about accessing your assignment, please feel free to email me at vsurles@wcpss.net. I will be checking email at least weekly over the summer.

If you have questions on the mathematical material in your assignment, please post those questions on Edmodo for the whole group to access. Most likely, someone else has the same question!

This assignment should be taken seriously as an understanding of the items on the assignment are crucial to your success in Calculus next year!!

Mrs. Surles
