

All About Mrs. Harr:

This is my sixth year at Green Hope Elementary, and my fifteenth in Wake County Schools. I taught at Turner Creek for nine years, and in Colorado and Georgia before that. I have taught every grade in elementary school except fifth, and I even spent a year teaching high school! My husband of 24 years and I have two children, a 22 year old son and an 18 year old daughter. I enjoy reading, traveling and crafting when I'm not at school.
