Dear Parent/Guardian:

As a parent/guardian of a student in Martin Middle School, I am writing this letter to let you know that Martin Middle School, has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing, and for Martin that included the *Students With Disabilities* subgroup. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. Please know that although we did not meet the proficiency benchmark for this subgroup, we did meet the growth target.

As a TSI-AT school, Martin Middle School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement for the targeted area identified. The plan will also include how our district will support us and monitor the progress of our school.

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call our Student Services Office at 919-881-4970 ext. 27406 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
- Keep track of our website and social media sites: <https://www.wcpss.net/martinms>
- Volunteer.
- Join the Martin GT Magnet Middle School PTA at <https://martinpta.com>.

It sounds like a lot but preparing our students so that they can succeed is not easy and is a group effort. Here are some resources available to help:

- State student achievement test results: www.ncpublicschools.org/accountability/

Lacey Peckham
