

Wouldn't it be great if our  
parents could order classroom  
supplies for our teachers  
online?

## Kennedy Office & Abbotts Creek have a solution for you...

Beginning July 1st-Aug 15th you can visit  
[www.kennedy4kids.com](http://www.kennedy4kids.com) and order needed supplies for your  
classroom and teachers. These are not the students individual  
supplies but those needed to support the needs of the  
classrooms and teachers. PLUS \*a percentage of your  
purchase will be donated back the ACES PIA\*

# www.kennedy4kids.com

Step#1 Visit [www.kennedy4kids.com](http://www.kennedy4kids.com)

Step#2 Select the grade level for which you would like to purchase classroom supplies. Separate orders need to be placed for each grade level so we can ensure your supplies get to the correct location.

\*You will see specific items listed that teachers have requested. Please Note: We've given brand name options as well as other lower cost options for you to choose depending on preference.

Step#3 Select all items you wish to purchase for your child's classroom and add to cart. The supply lists are posted on the Kennedy4Kids home page for your reference.

Step#4 Once you are ready to check out, please make sure you enter your student's name and grade level. This allows us to keep track of which students purchased online and a list will be provided for the teachers. It will not allow you to move forward thru this step until those fields are complete.

Step#5 Complete your order by entering payment information. The items will be delivered directly to the school and sorted by grade level for your student. If you get to this step and have forgotten an item you will need to go back to your shopping cart and select the grade level from the drop down menu.

Step#6 Show up on the 1st day of school with all your classroom supplies purchased and sorted into the appropriate classrooms. All you need are your student's personal supplies! SUPER EASY!
