

WWW.CLASSKIT.COM

Dear Parents;

At the end of every school year, a listing of classroom supply items is sent out so that you can begin purchasing and storing items until the first day of the next school year. This required you to:

- a) drive all over to find all those items (usually the week before school starts);
- b) keep them in one place until school starts back up; and then,
- c) lug them into school that first day.

LAST YEAR WE TRIED SOMETHING DIFFERENT AND HAD GREAT SUCCESS! SO WE'RE OFFERING OUR SUPPLY PROGRAM AGAIN!!

Here's what you do:

ORDERING WINDOW FOR 2019-2020 SCHOOL YEAR: July 1st - Aug 20th

Step #1 - Go to WWW.CLASSKIT.COM

Step #2 - Locate and click on the "Find Your ClassKit" link

Step #3 - Enter the following School Access Code: **abbotts2019**

Step #4 - Select the appropriate ClassKit for each of your student(s)

Step #5 - Complete your order form (one per family) and process through the credit card system*

The ClassKits are listed by **Grade and then by **Type**. A Standard ClassKit will include the individual student supplies **AND** the shared class materials requested by each grade level's teachers (with the exception of a backpack or lunch box). Some (not all) grade levels may have a "boy" or "girl" option dependent upon the requests of their teachers (ex: boys bring wide ruled notebook paper and girls bring sticky notes.) An Optional ClassKit will include "optional items" listed on your teachers wish list. These are not required but greatly help our teachers accomplish some of the activities planned in the classrooms each year.

*(Invoices will be shown as ClassKit with your ClassKit Dealer logo.) **THAT'S IT!! Orders will be shipped directly to the school and ready for pick up on your child's first day!!**

WHY PREPAY FOR THESE CLASSKITS?

#1 - You don't have to worry about finding, buying, storing and getting all of those supplies ready for school next year. All those items will be waiting for your child on their first day of school.

#2 - the ClassKit staff has done extensive research and determined that the ClassKit prices are very competitively priced when compared to the same items from the "big box" stores. (Especially when you consider that you no longer have to drive all over town to find that one yellow folder that no one has in stock or buy a box when you only need one of an item.)

#3 - All the merchandise in every ClassKit is of the highest quality, with many brand-name suppliers represented (Dixon, Crayola, Smead, Bic, Mead ...).

#4 - **Finally, each ClassKit purchased will result in the school or PTA receiving a percentage of the funds to put back into the school!!!**

Thanks for helping us raise funds that will benefit our entire school!
