## Covid-19 Grading and Scheduling

Scheduling during the 2020-2021 school year:

Due to Wake County Public Schools' decision to create a Virtual Academy within our school, classes were drastically limited for our students during the 2020-2021 school year. Many were not able to take as challenging of a schedule as they originally intended due to course offering limitations. Due to the limitations in course offerings, many of our seniors opted to have an abbreviated day.
