**EXAM NOTES**

- Students are expected to take exams according to the schedule. Any deviation from the exam schedule requires prior approval. Request forms must be picked up from and returned to the main office (along with supporting documentation of extenuating circumstances) by December 20th, 2019, for consideration. [NCDPI form](#) and [AFHS form](#) are both required. Requests for courses with state exams are likely to be denied because of state testing procedures and regulations.

- Students may not check out of school during an exam period.

- Students who remain on campus after the EOC and/or make-up exam periods will participate in a study hall.

- Students who do not have EOC exam or a make-up exam do not attend school on Jan 23rd-27th.

- If absent from an exam, a student must submit a parent note to the Attendance Office upon return to school. The student is responsible for working with the teacher to schedule the make-up exam for a teacher-made exam. For a state exam (a CTE post assessment, NCFE or an EOC), the test coordinator for state exams will schedule the makeup state exam. All make-up state exams are given on computers.

- The State Testing and Accountability Program includes North Carolina Final Exams (NCFE), End of Course (EOC) exams, and post assessments for CTE.

- Per Board Policy, seniors are not eligible for exemption from exams for courses with state testing requirements (NCFE, EOC, and CTE post assessments).
