Spring Updates

Report by Nakhesia Sheen

My name is Nakhesia Sheen! I am the current PTA President at East Cary! I'm a proud mother of four, and I have a seventh grader at ECMMS.

We have had a busy spring semester! The PTA provided over 50 pizzas for staff and new families at Open House in March. Thank you Jersey Mikes and Primo Pizza for your donations to the school and to all of our volunteers that helped with the event.

The spring dance was amazing! Thank you so much to Melinda Lowe and her committee for coordinating the Spring Dance on April 14th for students! Thank you parents for your dance donations.

The PTA provided over 700 donuts for staff and students in April for our first Student Appreciation Event!

Thank you so much to Schanel Mize and all of our hospitality volunteers who helped with our Staff Appreciation Week in May!

We had two Cultural Performances on campus this semester. All students participated in our Dancing Drum workshop and Black Box Theatre performance. The PTA also funded an Author visit for all students in May from Sci-Fi and Fantasy writer Scott Reintgen.

We had to cancel our Spring Color Run but we intend to bring it back in 2024! Thanks so much for all your support! We look forward to seeing all of our families and students back on campus in the Fall of 2023!

We are currently recruiting new members for the PTA Board! Please look out for information regarding open vacancies.

Thank you,
Nakhesia Sheen (PTA PRESIDENT)
