2022 AP Exam Information

- You should bring the following materials with you on the day of the test: multiple sharpened #2 pencils (non-mechanical) and multiple pens in blue or black ink only. Please read the AP Calculator Policy at: <https://apstudents.collegeboard.org/exam-policies-guidelines/calculator-policies>. Calculators are allowed for the following exams *only*: Biology, Calculus, Chemistry, Environmental Science, Physics 1, and Statistics. Rulers are allowed for physics exams only!
- You should NOT bring the following items to the exam: cell phones, smart watches, MP3 players, tablets, or any other electronic device; books, dictionaries, scratch paper, or notes; compasses, rulers, or straightedges; highlighters, or whiteout. Cell phones and other electronic devices that are brought into the testing room will be put into a paper bag during testing.
- Exams will be given in one of three locations: media center, mobile units, or auxiliary gym. The chart on the AP exam release form will list the testing locations for each exam.
- **All morning exams will begin at 7:45 AM and all afternoon exams will begin at 11:45 AM.** You must arrive on time. If you are late and the exam has already begun, you will not be allowed to enter the testing room.
- **All students MUST be dismissed at the same time when the exam has officially ended.** You may not leave early if you finish the exam. Afternoon exams will extend past the school dismissal, so students will not be able to ride the school bus home. Students will need to have transportation arranged. If you play a sport or have a job, it will be your responsibility to inform your coach or employer of your AP obligation and arrangements should be made accordingly. Approximate exam ending times are listed on the AP exam release form. Do NOT make appointments for the day of AP testing.
- Taking two exams in one day? Plan to pack a lunch. You will have a very short amount of time between exams to eat. You may also bring a snack or beverage for your 10-minute break during testing but they must be eaten outside of the testing room.
- It is advisable to bring a sweater in case the room temperature is below your comfort level. Dress in layers!
- If you do NOT test, you will be assessed a \$40 unused test fee to your HSHS account. This must be paid before the end of this school year to the front office or to Ms. Young in room 3602. Make-up exams will only be allowed for the following reasons:
 - Academic or Athletic Contest
 - Serious Illness or Injury (Requires a doctor's note.)
 - Family Tragedy
 - 2 Exams at the same time.
- If you have decided that you no longer want to take an AP exam, please email Ms. Young (tyoung@wcpss.net) as soon as possible. You will be assessed a \$40 test cancellation fee to your HSHS account. This must be paid before the end of this school year to the front office or to Ms. Young in room 3602.
- *AP testers will be excused from attending classes on the day of your exam(s)* (but you will not be excused from the work that you will miss)! Instruction will continue to take place, attendance will be taken, and assignments will be collected. In order to not be marked absent, please return the signed release form to Ms. Young on the day of your first exam. You only need to turn in one letter for all of your exams.
- It is very important that you read the AP Terms and Conditions at cb.org/apexamterms. Students will need to accept these terms and conditions on their AP answer sheet, prior to taking each exam. You are responsible for knowing College Board policies regarding testing. Any student violating any College Board policies may be dismissed from testing. As always, you are also expected to abide by the policies of HSHS while testing.

2022 AP Exam Early Release/Late Arrival Release Form

Advanced Placement Exams will be administered at Holly Springs High School from May 2nd to May 12th. Parents who wish for their student to leave campus following a student’s morning exam(s) administration or arrive late before the student’s afternoon exam(s) administration should complete this form and send it with the student on the day of their first AP Test. This will authorize the student’s absence from classes on the days they will be taking AP Exams. *Students will not be permitted to leave during the exam administration period, regardless of the time they finish testing.* If the student does not return this form, the student must remain in the classes when they are not testing. Please understand that instruction will continue to take place, attendance will be taken, and assignments will be collected in non-AP classes. This form can only be used for a late arrival or early dismissal on the day when the student actually has an AP exam.

Students who take advantage of the prearranged absence option must keep in mind that no one will be admitted to the AP testing location late.
