DRAFT 1 of 2022-23 STUDENT ENROLLMENT PROPOSAL

On October 5, 2021, the first draft of a new Student Enrollment Proposal was presented to the Board of Education. [Watch presentation.](#) **The proposal includes proposed school assignment changes for the 2022-23 school year. Sanford Creek ES is a part of the proposal in an effort to increase the number of students at under-utilized school and relieve current or projected overcrowding.** Overall, it is anticipated that only a very small percentage of students will be affected by this proposal. This is the beginning of a community conversation that is scheduled to conclude with the school board adopting a final plan on Dec. 7. More information on the 2022-23 enrollment proposal can be found [here](#).

TRANSPORTATION UPDATES:

Remind: <https://www.remind.com/join/scebusi>

Heads Up: *Wed, Oct 27 is teacher workday for TRADITIONAL CALENDAR schools. With less traffic on roads and more drivers available, our AM & PM bus routes are affected. While drivers try to keep the runs to the same pick-up and drop-off times, less traffic usually results in pick-ups AND drop-offs occurring on average, 7-10 minutes earlier.*

NOTIFICATION REMINDER: If your child or a household member receives a positive COVID test or if they are exposed to someone with COVID, please notify your child's teacher and an administrator right away. An administrator will reach out to assist with next steps.
