

## Sanford Creek Blue Jays

### Water Bottle Drive!!!

Please help us provide **new, reusable** water bottles to the students of Sanford Creek Elementary. Due to Covid-19, we do not have access to our water fountains so each student will need their own reusable water bottle. Please help us keep our students safe and hydrated by sending a new water bottle to school with your student.

**Please bring in water bottles by Friday November 13th!**

**Thank you for your support!!!!**
