Exam Schedule for Fall – REVISED

In the last week we've tried to start putting specific logistics to our exam schedule in terms of implementing it year shifted a bit to take teacher-made tests before state tests. While there are several benefits of this schedule discovered that it would have roughly a quarter of the student body with 3 or 4 exams on one day. Put simply work.

We are committed to creating an environment where all students can do their best which includes (1) no student exams in a day, and (2) the exam schedule is clearly understood and fairly applied to all. While we could probably number who need to shift an exam to get to two exams on one day, accommodating almost 500 to individually means that the exam schedule would no longer be clear or fair to all students.

As a result, we are adjusting back to our traditional exam schedule. Apologies for the late change but it seems better than keeping with our posted schedule. [CLICK HERE](#) to view the new exam schedule.

Interim Progress Reports

Interim progress reports will be given to students on Wednesday, December 13. This is the last progress report you do not receive one in all classes, please contact the teacher or your counselor.

Senior Exam Exemptions – Fall 2017

Seniors have the opportunity to exempt teacher-made exams in certain circumstances. Specific guidelines are found [at this link](#). There is a waiver process for up to five excused absences above the limit. That process that is due no later than January 5. If you have questions, please contact Mr. Pittman at bpittman@wcpss.net
