### Spring Virtual Open House – Next Week!

During the week of February 5-9 we will host our spring virtual open house to meet teachers and learn about their class. We held the event in this virtual format for the first time last year and received very positive feedback from parents and teachers to continue. Instead of having a specific time on one night to meet teachers, you will have the week to view information about your student's spring classes at your convenience. More information to come soon, but in the meantime please mark your calendar.
