HawkBlast Update | April 15, 2018

Panorama Family Engagement Survey

Parents with email addresses in PowerSchool should have received an email on April 2 with a link to a district survey measuring family engagement. We appreciate you taking the time to complete the survey. If you did not receive the survey, you can complete it at [this link](#). Please let me know if you have questions.

Buzzer System on Front Door

Over this past week, the buzzer system has been installed on the front door of the school. Starting Monday, April 16 please anticipate using the buzzer system to enter the building at all times of the school day starting at 7:25am and extending through 3:30pm when the office closes. All guests should be ready to show ID to gain entry to the building. This will slow down the process of checking your student out and/or accessing the building. Please plan accordingly.

Report Cards for Quarter 3

Report cards for Quarter 3 were sent home with students on Friday, April 13. If you did not receive this, please contact your student's second period teacher.
