

HOLLY SPRINGS HIGH SCHOOL

Home of the Golden Hawks

Interim Progress Reports - Wed., Feb. 15

All students will receive interim progress reports in classes on Wednesday, February 15. If you do not receive one in a class, please email the teacher.

Course Registration for 2017-18

Believe it or not, it is time to make course selections for 2017-18 for rising 10-12th graders. Materials for this process are available [online](#) including course lists, the course selection sheets, and applications for courses that have one.

For more information on the upcoming course registration process, see [this announcement](#) on the front page of the website.

****THIS WEEK**** Curriculum Night - February 16, 2017

Mark your calendar now for Thursday, February 16! This is our annual Curriculum Night where we will showcase many of the courses, AP Programs, clubs, and other opportunities as students prepare to make their course selections for the 2017-18 school year. While families are welcome to come at any point between 5:00 - 7:30pm, the time between 5-6pm is specifically dedicated to our current students. If you have questions about this event, please contact your counselor.

Spring 2017 Sports Tryouts

Most spring 2017 sports teams will begin tryouts on February 13, 2017. Please visit the [Athletics website](#) to view details about tryouts. All students must be eligible to participate and have a current physical on file prior to participate in tryouts. Questions about tryouts should be addressed to the coach and/or the Athletic Director, Mr. Whitesell (rwhitesell@wcpss.net).

StreetSafe Registration is Now Open!

StreetSafe is coming to Holly Springs High! StreetSafe is a 501(c)3 non-profit charitable enterprise offering its Lifesaving Driving Experience to new drivers with only one mission: Saving lives. *Losing control of a car at 25 mph on wet pavement, learning a realistic stopping distance, experiencing firsthand the dangers of distracted driving, understanding the hazards of driving near a tractor trailer, recognizing the consequences of impaired driving and realizing the importance of seatbelt use.*

These lessons and more are what young drivers - our most at-risk youth - will experience during StreetSafe's 4½ hour Lifesaving Driving Experience. Taught in a controlled environment under the supervision of experienced law enforcement and fire personnel - the First Responders who know all too well the tragic results of unsafe driving - young drivers receive an eye-opening, hands-on experience. StreetSafe students will also experience what it's like to be a passenger in these dangerous situations, as well as participating in an inter-active discussion led by experts in the field of crash investigation and impaired driving. Our young drivers get to "See it, Hear it, Do it". And while they are learning, they're having fun!

To learn more about this program, and to register click here:
