GOLDEN HAWK PARENT ACADEMY SESSIONS:

College Planning for 9th & 10th Grade Families

November 30, 2016 @ 6pm, HSHS Auditorium

The goal of this session is to talk with 9th and 10th grade parents about the path (or paths) to college. In general, we hope that parents leave with some "best practices" around what they can be doing now to help the college application process in the senior year. While all parents are welcome, we are building this session with a focus on the parent who has never been through the college process before. If you have questions, please contact your student's counselor.
