Jeffreys Grove families,

Sunday, September 15th 2019

We hope you and your children are adjusting to your new schedules; between school, after school activities, and changing bedtime routines, we know how overwhelming this time can be. Hopefully the weather will cooperate so we can all get settled into our new "normal" :))...

Fundraising

The [Go Play Save](#) fundraiser is still underway; books sell for \$30 each and our PTA earns \$15 for each book sold. New this year is the Mobile and Paper bundle for only \$45! With this bundle you receive double savings from all your favorite stores.

Please return books, or payments, by September 24th.

Health & Wellness

With recent BOG (Beginning of Grade) testing, parents have asked "What is this?" and "How can I help my child?" BOG tests are used to assess where your child is at the beginning of the year and sets a baseline for teachers. They do not expect students to ace them; it is simply used as a starting point for your child. Here is information to help you out:
