

Athens: “We the People”

Slogan that captures the spirit
of your city state

Each slide has a PERSUASIVE description with specific information about your city state

Each slide has an appropriate image for that information

10 slides in total

1 for each topic is required:

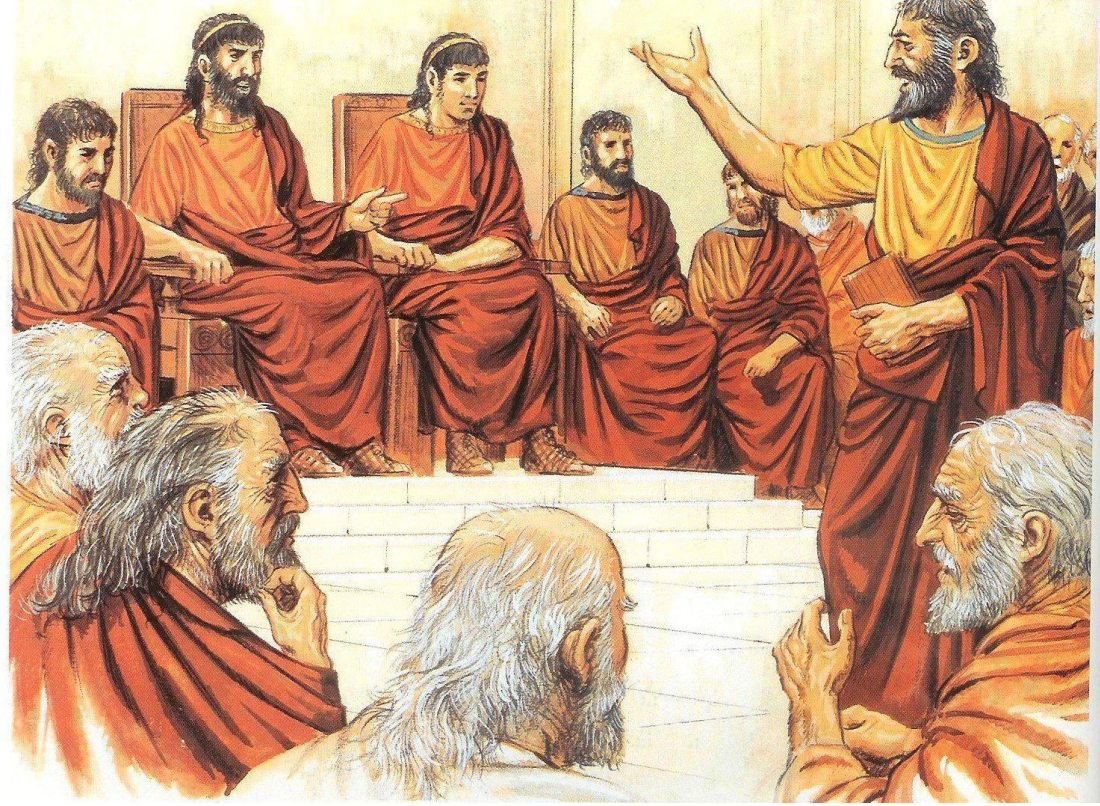

- Government (Oligarchy or Direct Democracy)
- Education
- Role of Men
- Role of Women

sparto has an oligarky
with too kings.

**What's wrong
with this slide?**

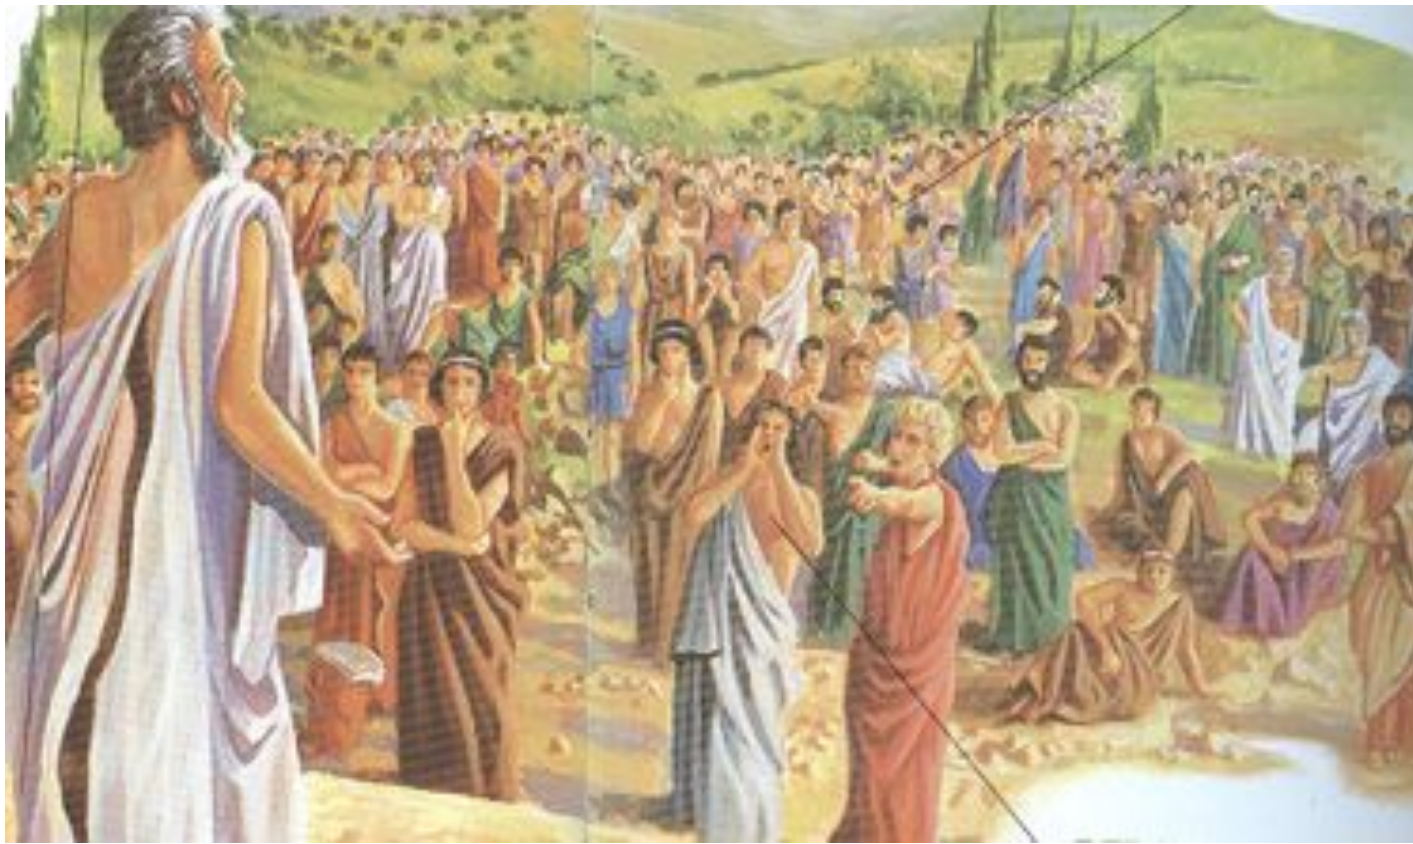

We are governed by an oligarchy which means that only our wisest men make the laws and decisions. In Athens any fool of a man gets to vote on life and death matters like going to war.

athens has a direct democracy

**How can
this slide
be
improved?**

We have a direct democracy which means every man born here has a say in the laws, government, and jury trials.
