TODAY

The Black Student Association meeting has been cancelled for today.

Today's Black History Moment celebrates Go-Go Music becoming the official music of Washington D.C. Go-go music is a rhythmic mix of percussion and beats from salsa, soul, gospel, blues and Latin music that was created a generation ago by Chuck Brown, the Godfather of go-go, in D.C. This is significant because the bill now requires the mayor's office to produce, fund, and implement programs that support the preservation and creation of go-go music, the culture, and history it represents.--"Wind me up Chuck!"
