

Phonemaster for the Week of May 20, 2019

OUR END OF YEAR TESTING SCHEDULE has been revised and is now posted on the front page of our website. Please mark these dates on your calendar and plan to have your student here each day of testing. Testing begins promptly at 7:45 am, so it is important that students arrive on time. Once testing begins, students will not be admitted to their testing room and will need to make it up at a later date.

LIGONFEST Ticket Order Forms are now available. If you need additional forms, they are posted on the front page of our website.
