Actual Course Offerings for 2019-2020 will be based on student enrollment and staffing demands – not every course listed here may be offered. Please refer to the high school planning guide for detailed course descriptions.

<p>Academy for Construction and Design Careers (ACDC) is a specialized small learning community whereby students are placed in cohorts. Within the academy, students engage in rigorous, project-based and work-based learning experiences that are integrated into their core curriculum courses to enhance their creativity, communications, critical thinking, and collaboration skills. Academy students need to complete the academy internship course to complete the ACDC required 135 hours in their pathway.
