

2022 - 2023 Adams Elementary Family Engagement Policy

Policy Engagement: The voices of our families are important, and we want your feedback. In order to hear from you all regarding our Title I Family Engagement Policy we will:

- Provide you with information about being a Title I school at various times throughout the year such as: Meet the Teacher, Aviator Academy, Family Science Night, and Parent/Teacher Conference dates.
- Send home a copy of the policy home and provide families with opportunities to provide feedback.

Shared Responsibilities for High Student Achievement: The shared responsibility expectations are reflected and presented in our Home-School Compact.

Building Capacity for Engagement: Supporting both our families and staff in growing their capabilities for engagement is crucial to our students' success. In order to ensure this happens, we will:

- Empower our PTA to help families and community members to become well equipped volunteers.
- Provide families with resources they can use at home to support student academic success during Aviator Academy. Families will be trained on how to use these resources and setting goals for their students
- Provide opportunities for families and community members of Adams Elementary School to collaborate with teachers about student progress, communicate with staff, and learn SOAR expectations. Opportunities will include Meet the Teacher, PTA meetings, Aviator Academy, parent surveys, Family Science Night, and various events held throughout the year.
- Provide parents insight into their child's academic performance during fall and spring conferences.
- Be flexible in communicating with families, including but not limited to: emails, telephone calls, face to face personal conferences, classroom newsletters, teacher websites, Adams website, Monday folder, and Talking Points.
- Host meetings on the following dates/times:
