

What makes you *different* ...  
...makes you *beautiful*

Attending the prom is important to many young women, and often the expenses associated with the event make it extremely difficult for many families to afford, especially during tough economic times.

Serving the community since 2008, the Prom Shoppe is an outreach ministry of Apex United Methodist Church. The nonprofit organization provides prom dresses as well as shoes, jewelry and other accessories to teens at no cost.

## Creating a *night* to *remember*:

With the average cost to attend prom being over a thousand dollars, the Prom Shoppe alleviates that burden and makes sure every young woman is dressed for prom.

- 👗 **FREE** prom dresses, shoes, makeup, and jewelry to girls across the state
- 👗 One-stop shop weekend event prior to prom season
- 👗 No proof of financial hardship is required

## How *you* can *help*:

The Prom Shoppe runs entirely on donations.  
Beginning in January, donate:

👗 Dresses 👗 Shoes  
👗 Jewelry 👗 Makeup 👗 Purses

at several Wake County locations and the  
Apex UMC office at:
