

Green First Grade Supply List 2018-2019

Dear Parents and Students.

Any of the above extra supplies

We have a great year ahead in our beautiful school! You will need the following supplies at school for our daily activities. iPads are tools that we use daily in our classrooms. Being able to listen to text being read will be an important part of learning to read and answering comprehension questions. Additionally, we will use QR codes throughout our day to hear audio instructions or information. To make this more accessible for students we are asking that your child bring sturdy headphones. We ask for headsets, not earbuds. Earbuds tend to be adult sized and fall out of a first grader's ears. Headsets can be found for \$5 at Five-Below and Big Lots. We are looking forward to meeting you and starting a brand new year.
