Why a Fun Run?

Kingswood PTA Fall Fundraisers

A Fun Run builds community, promotes fitness, and inspires school spirit. Students learn about team-building and goal-setting from individual and class goals. They feel empowered to support their school.

The Fun Run not only promotes the physical health of our youth; it also supports the fiscal health of the Kingswood PTA. The PTA uses the money raised towards many programs, including:

- Positivity Project
- International Festival
- Teacher Appreciation
- School Equipment and Improvement
- Campus Gardens and Landscaping
- STEM/STEAM activities

Thank You for Supporting our Students, Teachers, and Staff
