

2021-2022 MECME School Supply List

If your student is in kindergarten, please bring in school supplies on FRIDAY, 8/30, during the Kindergarten Orientation Session.

All students should bring a face covering and water bottle to campus every day. Water fountains are only to be used to fill water bottles.

Students are required to wear face coverings while on campus. MECME will provide a pack of face coverings for students, but students are welcome to provide their own. These should be secured safely over the nose, mouth and under the chin and completely cover the nose and mouth. Face masks with valves or vents are not accepted.

We will also be providing one water bottle per student, but you might want a back-up or two.

Many supplies will be for community use so it is not required that you individually label with your student's name unless specified below.
