

# You are invited

to the Carnage PTSA carpool program!

Your personal invitation code  
**CMS2018**

## How it works

Just go to <https://www.carpoolworld.com/carnagems.html> and click the link to join. Enter the personal invitation code above to be accepted into the Carnage PTSA CarpoolWorld group.

The program is completely free. Fill in the on-line form with your commuting requirements, confirm your email address, and view your personal carpool match-list. The system will show you a list of people who have similar commuting requirements - then you can contact each other by email, phone or text message to make the carpooling arrangements that suit you both, and decide together how you will share the costs.

## Did you know?

Sharing automobile transportation dramatically reduces costs and environmental impact for the driver and passengers. The carpooling program takes the hassle out of finding and contacting your ideal carpooling partners. And who knows, you may even make some new friends.

## It's free!

Carnage PTSA contracts with CarpoolWorld to provide this free carpool matching service for our community. You have until Sep 21, 2018 to register your trip; after that date you will need to request a new personal invitation code. Register at: <https://www.carpoolworld.com/carnagems.html> today!

## What about?

There is no obligation - you may join, quit, leave and come back at any time, but of course you need to be polite, courteous and civil with the other commuters. You may take turns driving or share the costs only; this is not a transportation business.
