### TIPS FOR ONLINE LEARNING

This school year is one like no other. We are all trying to figure out this new normal and how best to continue to learn. This is a big adjustment for students and staff. As we continue to navigate through the start of this school year, here are 5 great tips to succeed in online learning!

**Get Organized**: Organization is key when trying to keep up with all of your work. Create online folders to keep all your work where you can find it. Also use a planner to write down due dates and homework so you will not forget.

Have a Schedule: Since we are not in our regular school routines, create a plan for each week with time dedicated to schoolwork, homework, and most importantly a well deserved break!

**Create Your Space**: Set up a quiet and comfortable spot to do virtual learning each day. Keep this dedicated spot clean and organized so you feel calm and productive while working.

**Set Goals**: Set little goals for yourself each day, like getting all your homework done by 5pm, in order to feel accomplished and check things off your list of things to do.

Make the Most of Your Resources: Your teachers, counselors, administrators, and staff are here for you. Never be afraid to reach out and ask for help!

## NEWS YOU CAN USE

### HOW TO OBTAIN DRIVER'S ELIGIBILITY CERTIFICATES

## The following process will allow students to receive a Driver's Eligibility Certificate (DEC) while the school community is going through COVID-19.

DECs are only valid for 30 days: to save time it is best to schedule an appointment with the DMV prior to receiving the DEC from the school.Parents and/or students will start by emailing Student Services (Jill Drabot at jdrabot@wcpss.net) for setting up an appointment to receive the DEC. Student Services will schedule a time for parents/students to come in and receive the DEC. Currently, appointments are set for Tuesday & Thursday afternoons from 8:00 AM-12:00 PM and 1:00 PM-3:00 PM. You will receive the date/time you can come to the high school to receive the DEC.Once your appointment is confirmed with the high school, the following steps will be taken:

**Step 1: Scan or take a photo of the completed Driver's Education Certificate** and email to Jill Drabot at jdrabot@wcpss.net. If you are unable to scan or take a photo of the document, then you will need to bring it with you to the appointment.

**Step 2: Bring the following documents to the appointment:** Student's birth certificate or passport. Completed Driver's Education Certificate (if it has not been emailed ahead of time). Proof of address if the current address is different than the one listed on the Driver's Education Certificate or the address listed in PowerSchool. Address must be verified for the NC Real ID.

**Step 3: Receiving the DEC:** Once you arrive for your appointment, please report to the Guest Services window located to the left of the front entrance. Please social distance, maintain 6ft apart from others, and limit the number of people accompanying the student. Staff will check the student's grades for adequate progress. The student must have passed 70% of the courses taken in the prior semester in order to receive a DEC.

Once grades have been verified and all other documents are in place, the DEC can be issued to the student.
