

It's time to register for AP Exams!

The registration timeframe for AP exams begins February 1 at 8:00 am and **closes February 28 at 4:00 pm**. THERE IS NO LATE REGISTRATION!
All students who wish to take an AP exam MUST register during this period.

Registration is online at: www.TotalRegistration.net/AP/340086

Steps to Register:

1. Go to the link above. Answer all questions completely and correctly as this information will be pre-bubbled on your answer sheet. If it is incorrect this could result in you or your college not being able to receive your scores.
2. Once you have created an account, select the AP Exams you wish to take. *You are not required to take any AP exams.*
3. Each exam costs \$94; however the state of North Carolina is paying for all exams as long as the student took the course in a NC public school.
 - **In order for your exams to be free, you may only take exams for which you took the class.**
 - If you wish to sign up for other exams for which you did not take the class you must see Mrs. Gillespie to pay the \$94 fee.
 - You may only take exams that we are already offering.
4. If you sign up for an exam and do not show up to take the exam you are required to pay a **no-show fee of \$15**.
5. If you wish to cancel an exam you signed up for you must see Mrs. Gillespie **before February 28**; after that date you are **expected** to take the exam.

Questions? See Mrs. Gillespie in Student Services, email tgillespie2@wcpss.net, or call (919)773-3838 ext. 21924.
