What are Box Tops? Box Tops are small rectangles found on the outside of boxes and cans. The organization we submit them to gives FWES 10¢ for every one we turn in! Last year we raised about \$2,000! This year we hope to raise \$3,000. Can you help? Flip this page over for a list of products to find Box Tops and bonus offers or download them from <http://www.boxtops4education.com>.
