

Introducing Readvolution

In recognition of the **20th** Anniversary of the Carolina Hurricanes and the Wake County Public School Systems Strategic Plan of Vision 2020, we are teaming up to bring **Readvolution** to all of our elementary schools. This partnership will support a community-wide literacy campaign around daily reading outside of school. The goal of this campaign is to highlight the importance of reading in creating college, career ready graduates. We will kick off this event in schools starting October 2nd and an end date of January 12th.

All WCPSS elementary students will be given the challenge of **20** minutes of reading outside of the school day! The challenge will include an individual and school wide component as well as goals for each.
