

## FWES Carpool Update #2

Begins Thursday, November 1<sup>st</sup>

As was discussed and decided upon between the Cary Police Department and FWES families- a new traffic pattern will begin at FWES on Thursday, November 1<sup>st</sup>.

- Vehicles will ONLY be able to access the carpool loop in the AM and PM by taking a right turn in from Hampton Valley Road. Left turns into FWES from Hampton Valley Road will be prohibited during carpool times AM and PM.
- Once a vehicle has either dropped of a student (AM) or picked up a student (PM), cars exiting the carpool lane will ONLY be allowed to turn right onto Hampton Valley Road. Left turns toward Cary Parkway will be prohibited.

Please see the photograph and diagram to the right to help in planning your route to and from school if you use the carpool process AM and/or PM.

Thank you for your planning ahead and cooperation!
