

Farmington Woods
Kindergarten
virtual open house

WELCOME

Tonight's hosts are:

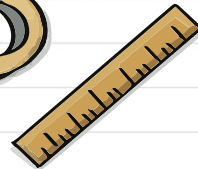

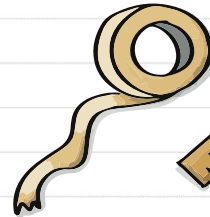

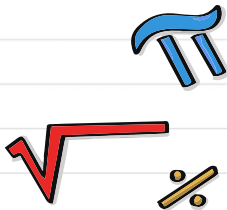

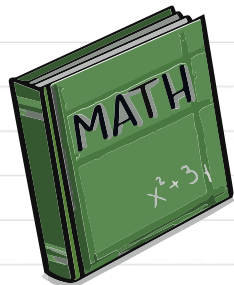

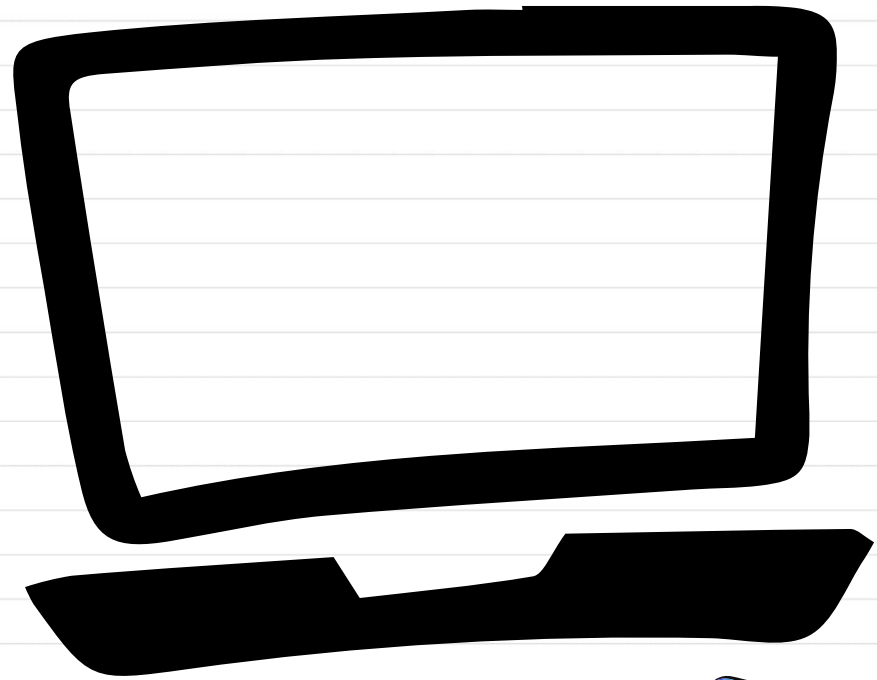

Winston Pierce, principal
Mark Beamish, assistant principal
Anna Goodrum, Magnet Coordinator
Elizabeth Plotkin, Instructional Facilitator
Rosanne Nagy, Student Data Manager

YOUR TURN!

Take a minute to introduce yourself

- Unmute or use the chat
- Share your name and if this is your first time in Kinder!

Tonight we will:

Get to know a little about one another

Learn about IB program and lifelong learning

Ask & answer questions you have about FWES

Let's Take a

Look at

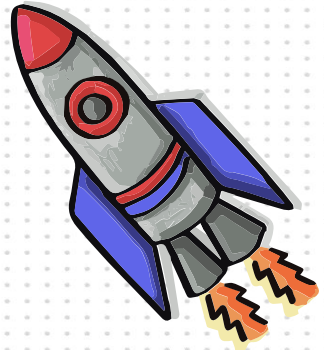

FWES

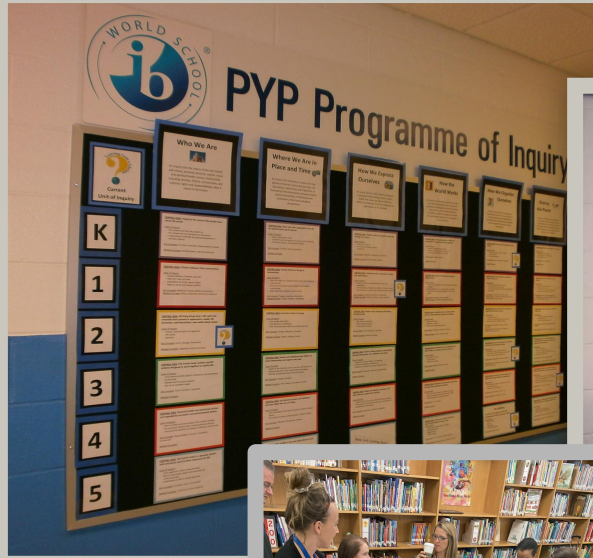

What is an IB Primary Years Programme?

The PYP provides an ideal foundation for children to become successful, lifelong learners by developing their:

- social and emotional well-being
- independence, as they take responsibility for their own learning
- international mindedness
- understanding of the world and their ability to function effectively within it
- attitudes and dispositions for learning
- ability to take mindful, appropriate and sustainable student-initiated action

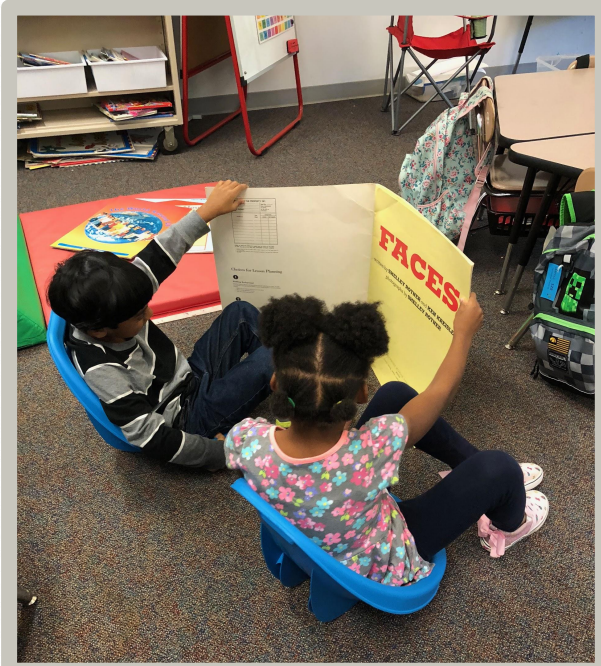

Units Taught through six transdisciplinary themes

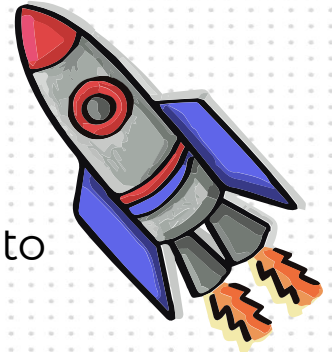

Each theme is selected for their relevance to the real world.

Young learners explore the commonalities of human experience by investigating these themes through a programme of inquiry.

Inquiry based instruction

Student's natural curiosity is fostered when they seek answers to their own questions.

Integration of all subject areas

Each child will participate in what we call “Specials” Art, Music, PE, Chinese, Spanish. These classes connect with the inquiry units to enhance and build on the concepts.

Here is a taste of some of the Specialist activities

Spanish and Chinese help students communicate in another language as well as learn cultural connections.

Internationally minded students

Students learn to become active participants in the world around them .

Learner Profile:

Inquirers

Knowledgeable

Thinkers

Communicators

Principled

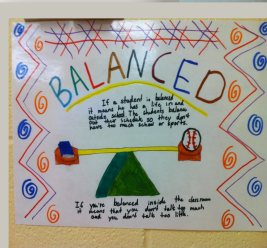

Open-Minded

Caring

Risk-takers

Balanced

Reflective

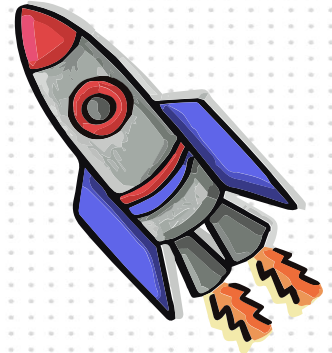

Students take Action

IB students learn they can make a difference in the world. They are empowered to take action in small and big ways!

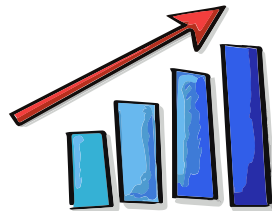

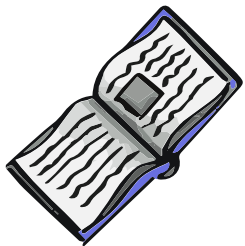

ACTION
SPEAKS LOUDER
THAN WORDS

at **Farmington Woods** IB/PYP MAGNET ELEMENTARY

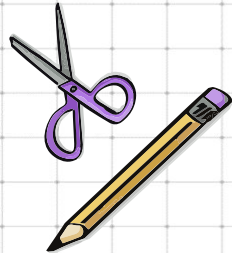

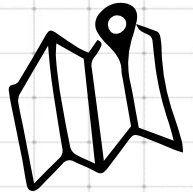

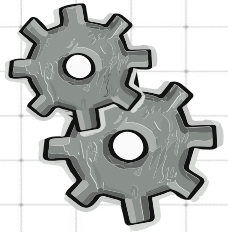

Meet the Kindergarten Team

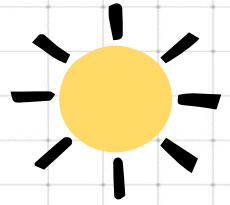

A typical day in Kinder:

- **Arrival** - Morning Announcements
- **Positivity Project** (10 minutes)
- **Literacy** (90 minutes)
- **Writing** (30 minutes)
- **Lunch** (30 minutes)
- **Recess** (30 minutes)
- **Math** (65 minutes)
- **Special** (Art, Music, PE, Spanish, Chinese) (45 minutes)
- **Science/Social Studies** (45 minutes)

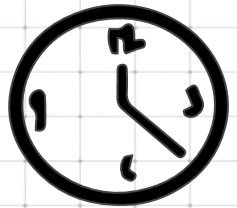

Things to expect:

- Fun and Smiles
- Active Classrooms and Student Collaboration
- Engaging Academics
- Opportunities for social problem solving
- Tired kiddos who will probably need prompting to talk about their day 😊

Important Reminders:

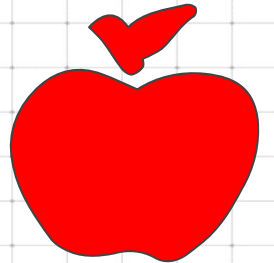

- Health assessments due on or before the child's 1st day of school
- Immunizations updated on or before the child's 1st day of school
 - If *not* on file by the first 30 days of school the child will be suspended from school.
- Check the FWES website to stay updated through the summer.

Help Start Kindergarten Success:

- Read to your child every day and talk about what you read
- Practice cooperation with others and taking turns
- Allow your child to complete self care tasks independently
- Practice remembering important personal information
