

WE CAN'T DO THIS WITHOUT YOU!

There are going to be so many cool activities for students to move independently to during this celebration but all of our activities will need adult supervision to ensure student's success and safety. Please consider signing up to help.

How to sign up:

1. Fill out the form attached to the bottom of this paper.
2. Ensure that your WCPSS volunteer approval, if not already approved, clears by May 30, 2019. *All volunteers MUST be registered volunteers with WCPSS.*
3. Please mark your calendar for the day & times you are volunteering for.

What to do on the day of the event?

- Arrive to school 15 minutes before your time. Sign in at the office and get a VISITOR ID. Come down to the gym and find Mr. Eller. He will point you either to select an activity you think would be fun to do or somewhere we have a need.
- The majority of the activities will be outside. Bring a water bottle, hat, sunglasses and sunscreen.
- Once you find or are assigned an activity. Acquaint yourself with its operation and ask any questions. Make sure the activity is set up as directed and wait for the fun when the students get there.
- Students will be moving around to activities independently. They can go wherever they chose.
- Start a designated line at your activity (encourage students to go to activities that do not have a line) and pull from the front the number of students you need to start your activity.
- Keep em going until the students run out of time.

-----Cut Here & Return to School-----

Volunteer's Name: _____ Child/Teacher: _____ / _____

_____ YES, I am registered with WCPSS

I am volunteering for Friday June 7, 2019 at (check all that applies):

_____ 8:00-9:30 Setup on field behind gym

_____ 9:30-11:00 (4th & 5th Grade)

_____ 12:00-1:30 (K & 1st Grade)

_____ 2:00-3:30 (2nd & 3rd Grade)

Email address: _____

All communications prior to event will be done by email. Please mark clearly.
