

End of Year Preparations for FWES Teacher Teams

Live Meets Canceled on Dates/Times Below

Each year at the end of the school year, our teams have to complete many tasks that help to close out this school year and prepare for the beginning of the next. In typical circumstances, to provide teams with extended periods of time to complete these tasks we would cover classrooms with our Instructional Assistants or hire substitutes for the classrooms. As we are involved in Remote Learning at this time, we are unable to do either.

- Teams will miss live meets when they participate in a 3 hour meeting with the Administrative team- dates and times below.
- Teams will also miss live meets ALL day on the day they are scheduled to be at school for the Drive By due to the tasks required prior or after pick up of materials- dates and times below.
- Note: 5th Grade teachers will not be available all day on June 3rd **AND** June 11th due to the 5th grade celebration events.

Please note that your child's teacher team will not be holding regularly scheduled live, instructional support or office hour meetings (or any other regularly scheduled meetings with small groups of students) on the dates and times listed below. Work will still be assigned but no live sessions on these dates. Please reach out to your child's teacher if you have any questions.

Thank you for your cooperation and we continue to seek strategies for completing our tasks collaboratively and virtually!
