REFLECTIONS ART PROGRAM
“Within Reach”**

Pull out your paint, film, and dictionary. Dust off your camcorder and musical instruments, and put on your dancing shoes, it’s time for the 2017–2018 PTA Reflections Program! This program is sponsored by the National PTA and recognizes outstanding student works in six art areas: literature, musical composition, photography, film/video production, dance choreography and visual arts (2D and 3D). The theme for this year is “Within Reach”.

If your child is interested in participating, please complete this form and return it to his/her teacher or the front office by Friday, September 29th. Your child will then receive a student entry form, general rules, and art specific rules. Remember artwork must be new original works of art inspired by the current theme.

All art must be turned in by Friday, October 28th. Remember to follow all the rules and presentation guidelines. Forms must be completely filled out including signatures, title, and artist statement. Our judging will be before the holiday break and the winning art will be sent to the next level of competition. We will have a Reflections Celebration later in the school year; details will be sent home closer to that time.
