

Farmington Woods IB/PYP Before/After School Club Application 2019-20

Student selection for clubs will be based on a lottery system and students will only be selected to participate in one club. As the process is a true lottery, there are no priorities given to students for any reason. Please note that each year there are more applications than club spots available. Students interested in any of the clubs below should submit this application by Thursday, September 19th at 3:45pm– no late application will be accepted. Club meeting dates will be available through our website on our Google Calendar. Students may choose up to 4 club options on the Club Application. All student names interested in club participation will be put into the lottery. As a name is selected, the process will begin with the 1st choice option to place the child into a club. If the 1st choice club is full, the team will move to 2nd choice, and so on. This process will continue until all clubs have been filled and/or all names drawn. If there are additional openings in clubs after completing this process, any student remaining in the lottery will be notified to gather information about their interest in the available club openings. Due to appropriate safety and supervision, each club has a limited number of spots available. Club notification will go home with students by Tuesday, October 1st.

**Return to your classroom teacher NO later than Thursday, September 19th at 3:45pm
NO LATE CLUB APPLICATIONS WILL BE ACCEPTED**

I would like to be a volunteer and assist with the club activities of my child's club if a volunteer is needed.

My child is enrolled in Before School Care and will come to the club from Before School Care.

I understand the following information about FWES Club participation:

- **I will comply with club drop off and pick up times indicated on the club description sheet. Late arrivals will require parent sign in at the front office before the child can proceed to the club event– consistent late arrival may require a student to be removed from the club.**
- Club participation requires commitment and attendance will be a priority for my child and our family.
- All club participants are expected to continue to Go for the GOLD during all club activities on our school campus.
- All parent volunteers must be registered and cleared through the WCPSS Volunteer registration system before they can participate as a club volunteer.
