

FWES Cafeteria Angel Fund

Opening Fall 2019

The FWES Cafeteria Angel Fund is being established in September, 2019. The Angel Fund will be used when students arrive in the cafeteria and have forgotten lunch money or who have a low balance and are unable to purchase a school lunch. The fund will be supported purely by donations from PTA, parents and community organizations.

FWES Cafeteria Angel Fund Guidelines:

- Angel Fund will purchase a school lunch for a student without money. It may not be used for extra items in the cafeteria such as an extra snack or treat. The cost of a full school lunch is \$2.75.
- Families will not be required to repay the fund, but families of students who have used the Angel Fund are asked to consider paying it forward by making a donation to support other students in the future.
- The Angel Fund will support students as long as there are funds available in the account. Due to financial requirements, the fund may never have a negative balance. If there are not enough funds in the account, students will be offered fruits and vegetables if they do not have lunch money.
- To follow Cafeteria Manager guidelines to monitor student needs, families of any student with consecutive or repetitive need for the Angel Fund will be contacted for additional information.

The FWES PTA is eager to begin our Angel Fund and has committed an initial deposit to start the account.

FWES Families are invited to take action and make a donation to the FWES Cafeteria Angel Fund. Donations can be made in the FWES Cafeteria by Cash, Check or Money Order to FWES Cafeteria- Angel Fund. Donations can also be made on the [PTA Memberhub Store](#).
