

Farmington Woods IB/PYP Magnet School...

Before/After School Clubs 2018-19

FWES is excited to offer students the opportunity to extend their learning and explore interests and talents through before school clubs on our campus. Each club is sponsored by a FWES teacher or a PTA Parent sponsor(s) (all are approved volunteers). Club meeting times and vary based on the club sponsor. Club size will vary based on the activities planned and the adult supervision available but space in each club will be limited. Students may participate in one club to allow participation across clubs by the most students possible. A lottery process is used for club selection.

Time Line for Club Selection:

- Applications are due to your teacher by Thursday, September 20th at 3:45pm - **NO LATE applications will be accepted.**
- Club lottery will take place September 21st before school.
- Club notification will go home with students on Tuesday, September 25th
- Specific Club Dates for the year and information from the club sponsors will go home with the club notification.

Club Description	Age Range	Meeting Schedule	Club Sponsors
Planeteers (Recycling Club)- Recycling is an important part of keeping our world clean and safe and it starts with you. As a planeteer, you will help collect recycling one day each week for the entire school. As leaders of the school, your opinion matters. You will redesign our recycling program and keep our school informed on how we can all make a difference.	4th Graders	Thursdays	Ms. Richardson
Battle of the Books: Interested 4th and 5th grade students are invited to join Farmington Woods Battle of the Books. BoB challenges students to read great books and then participate in a quiz bowl competition to showcase their knowledge. Teams make a commitment to read at least 5 books from a teacher chosen list. In the spring, students compete at Farmington Woods to answer questions about the books. Students will improve their teamwork, comprehension skills, and get the opportunity to read great books.	4th and 5th Graders	3rd Thursdays 8:00-8:45am	Mrs. Holste
PTA Cross Country Cubs: Our club is focused on introducing kids to the fun of running and competing in a low-pressure, enjoyable environment. Sound training principles will help runners realize their potential and accomplish their goals while creating a healthy love and respect for running that will last a lifetime. We will set goals and work towards running the Cary Road Race in the Spring.	3rd, 4th and 5th Graders	2nd and 4th Thursdays 8:00-8:45am	Mr. and Mrs. Liming
Drama Club: If you're a fourth grader and have ever wanted to act or perform on stage then FWES Drama Club may be just the club for you. Over the course of the year we will be creating and performing skits and short plays, learning about what goes on behind the scenes in a dramatic production and most importantly, having fun. No prior experience is necessary but you must be prepared to make new friends and give new things a try!	4th Graders	4:15-5:00pm	Mr. Kerr
PTA Swift Knights Coding Club: With a blend of "hands-on" computer/device(MIT's Scratch etc.) and "unplugged" non-computer activities like board-games (Chess etc.) students will get to learn teamwork, persistence, computational thinking, creative approach to problem solving and coding concepts, all while having fun!	3rd, 4th and 5th Graders	1st and 3rd Thursdays 4:00-4:45pm	Mr. Meenaksh and Mr. Simpson
Green Thumb Club: The Green Thumb Club will keep you busy attending to the many gardening needs of our school. Our FWES Community Garden will need our help in starting seedlings, planting, weeding, and harvesting. We also have many areas of our school where we can help add a splash of color in the spring and fall with flowers. What ever our school is needing, this club will take action to get the job done.	2nd, 3rd, 4th and 5th Graders	1st and 3rd Thursdays 8:00-8:45am (only 1st Thursdays in Dec, Jan and Feb)	Mrs. Long, Mrs. Williams and Mrs. Nelson
PTA Girls Engineering Club: Students will learn about simple machines and other engineering principles via fun hands-on building and experiments. A variety of materials will be used including Legos and K'Nex.	3rd grade Girls	3rd Thursday 8:00-8:45am	Mrs. Wainwright-Baker, Mrs. Grice and Mr. Wainwright
