

FWES PTA Presents:

Keeping Children Emotionally and Physically Safe in Today's World

**Presented by Kelly Lister, MSW, LCSW
from Wake County Public Schools**

October 17, 2019, 6:30-7:30 PM, FWES Inquiry Center

Navigating the pressures on our children can be challenging. Ms. Lister will be helping us learn to identify the warning signs at risk behavior, and will be providing resources and parenting tips to help us support our students.

Because of the content, this presentation and discussion are for adults only. Childcare for school age children will be provided in the FWES Cafeteria by Cary Teen Council.
