

**2019-2020
NATIONAL PTA REFLECTIONS ART PROGRAM
“Look Within”**

General Contest Information and Interest Form

Pull out your paint, film, and dictionary. Dust off your camcorder and musical instruments, and put on your dancing shoes, it’s time for the 2019-2020 PTA Reflections Program! This program is sponsored by the National PTA and recognizes outstanding student works in six art areas: literature, musical composition, photography, film/video production, dance choreography and visual arts (2D and 3D). There is also a Special Artist Division (email for more details). **The theme for this year is “Look Within”.**

If your child is interested in participating, please complete this form and return it to his/her teacher or email to finearts@fwespta.org by Oct 1, 2019. Your child will then receive a student entry form, general rules, and art specific rules. Remember artwork must be new original works of art inspired by the current theme. (Please note: This form is not an entry form!)

All art must be turned in (accompanied by an official entry form) by Oct 31, 2019. Remember to follow all rules and presentation guidelines. Forms must be completely filled out including signatures, title, and artist statement. Our school judging will take place the following week and the winning art will be sent to the next level of competition. We will have a Reflections Celebration later in the school year; details will be sent home closer to that time.

We have had winners from our school in several categories in years past! Good luck!
