

Prepare for Open House on Friday, August 23, 2019 8:30-10:30am

WCPSS Security will assist with Parking- Please follow Town of Cary Parking Laws off campus
Please see the BINGO card below that will be distributed to assist families in completing the many tasks that need and can be completed during your Open House Visit.

Classroom Rosters for 1st-5th Graders will be posted at the front doors for finding your teacher's name and staff will be throughout the building to assist with directions and questions.

Kindergarten Parents- There will be two Kindergarten Parent Orientation Sessions in our gym- one at 8:45am and another at 10:00am. Please do not bring kindergartners with you to this orientation and Open House as Kindergarten Classrooms will not be open for visiting and it can be extremely overwhelming for kindergartners. K Parents are encouraged to review the items on the card below and use your time that morning before or after the orientation session you attend to get beginning of the year things completed for your child and family. Please note that Open House will end promptly at 10:30am and it will take about 30 minutes to complete the activities listed.

*All but lunch account will also be available at K Open House on August 30th.
