Family Engagement Policy

Policy Engagement: The voices of our families are important to us! We would like your feedback regarding our Title 1 Family Engagement Policy. In partnership we will:

- Provide you with information about the opportunity to be a part of a Title 1 school throughout the year.
- Send home a copy of the Parent Engagement Policy, along with a feedback form for your input.
- Develop a Family Engagement committee whose goal is to help connect staff with families, so that we may work together to increase academic achievement for all our students.

Shared Responsibilities for High Student Achievement: Expectations for shared responsibilities are reflected in our Home-School Compact.

Building Capacity for Engagement: Supporting both our families and staff in growing the capabilities for engagement is crucial to our success. In order to ensure this happens, we will:

- Provide Professional development to our Leadership Team and staff regarding the results of the Annual Title 1 Family Survey.
- Establish Family Literacy and Math Data Nights where families will learn how best to support their child's learning.
- Through parent-teacher conferences, we will create opportunities for families, students and staff members to set goals and have meaningful conversations centered around student learning.
- Be flexible in communications with families, including emails, dojo messages, Monday Folders, telephone calls and personal conferences.
- Provide Interpreters at school events.

Accessibility: Through building relationships with our families, we will strive to meet the needs of all families and maximize family engagement at Bugg Magnet Elementary School.
