

MAGNET IMPLEMENTATION GUIDE FOR 2ND QTR. 2020-2021

@PowellesPLAY
*Powell Center for Play and Ingenuity Magnet
Elementary*

We know that this school year is providing memories like no other! Our whole school family has been having fun in our first semester “2020 Domain” that focuses on our theme of Play and Ingenuity and components of Conscious Discipline. We are building unity during a time when lessons are being delivered in a virtual format and in-person as well. Students are practicing innovative thinking, problem solving, and creating. They are engaging in active dialogue with their teachers and peers, testing and refining ideas and sharing the results of their endeavors. In order to meet the many needs of our students, we all will need to continue to exhibit flexibility and grace as the school year continues.
