

# MAGNET IMPLEMENTATION GUIDE FOR 3RD QTR. 2020-2021

@PowellesPLAY  
*Powell Center for Play and Ingenuity Magnet  
Elementary*

Happy New Year! It's hard to believe we are almost halfway done with this school year! Our whole school family will continue having fun in a Virtual Academy OR In-Person "2021 Domain" this semester. These new Domains will also focus on our theme of Play and Ingenuity and components of Conscious Discipline. We will continue to build unity during a time when lessons are being delivered in a virtual format and in-person as well. Students will continue practicing innovative thinking, problem solving, and creating. They will engage in active dialogue with their teachers and peers, testing and refining ideas and sharing the results of their endeavors. In order to meet the many needs of our students, we all will need to continue to exhibit flexibility and grace as this unprecedented school year continues.
