

# MAGNET IMPLEMENTATION GUIDE FOR 4TH QTR. 2020-2021

@PowellesPLAY  
*Powell Center for Play and Ingenuity Magnet  
Elementary*

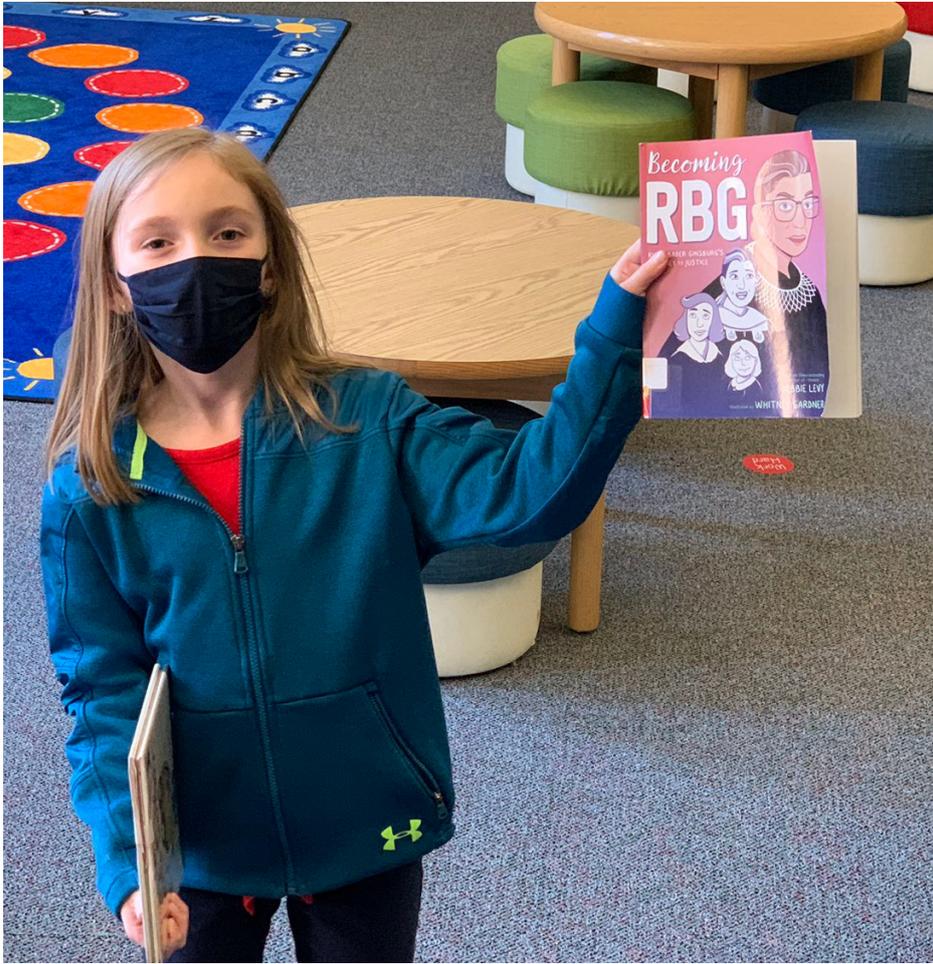

Happy Spring! So nice to see some 3rd graders enjoying our spring weather doing some reading outside!

It's hard to believe we are getting ready to enter 4th quarter! Our whole school family will continue having fun in their Virtual Academy OR In-Person "2021 Domain" to finish out this semester. Students will continue building unity and practicing innovative thinking, problem solving, and creating. They will engage in active dialogue with their teachers and peers, testing and refining ideas and sharing the results of their endeavors.

In order to meet the many needs of our students, we all will continue to exhibit flexibility and grace as we finish this unprecedented school year out strong!
